

A New Benefit for You!

Three Lower Counties Community Services, Inc. has opened a pharmacy! Here at TLC, we have consistently promoted quality care for our patients, and adding this pharmacy is the next step in maintaining that level of quality. As a patient, you will now be able to have your prescriptions filled before you even leave our Princess Anne office. If you are a patient at our Salisbury office, you can have prescriptions filled at Delmarva Pharmacy, which is only a block away. You can also bring any prescriptions from your specialists that you need filled.

What our pharmacy can do for you

By adding pharmacy services in Princess Anne and Salisbury, TLC has made it more convenient for patients to access their medications. To improve convenience, TLC providers can email prescriptions to Delmarva Pharmacy, in order to be ready for the patient to pick up in our Salisbury office. In our Princess Anne office, the pharmacy is right upstairs, so the prescription will be ready before you leave.

Because it is important to TLC that all of our patients have access to their medications, the pharmacies accept all major insurances, including Medicare Part D. Patients can bring prescriptions from their TLC provider, and from any specialists the TLC provider referred them to.

Why should you use our pharmacy

Salisbury:

1. Located close to our Salisbury office
2. Drive-thru service
3. Fast, friendly, quality service
4. Accepts all major insurances
5. Best prices for TLC patients
6. You can bring prescriptions from your specialists
7. Dedication to making prescription filling process as easy & quick as possible.

Princess Anne:

1. Pharmacy is located in the same building
2. Best prices for TLC patients
3. Accepts all major insurances
4. You can bring your prescriptions from your specialists
5. Dedication to making prescription filling process as easy & quick as possible

Why we are here

- TLC's mission is to provide affordable, culturally competent, quality primary and preventative health care services to all residents of the area served.
- TLC offers full primary care services, regardless of one's ability to pay. TLC participated with most of the major insurance companies and HMO's.
- TLC is willing to work together, with the patient, to make arrangements to help cover the patient's medication costs.
- Uninsured patients may qualify for a discount, based on their annual income.
